RESIDENCE
FACADE DESIGN

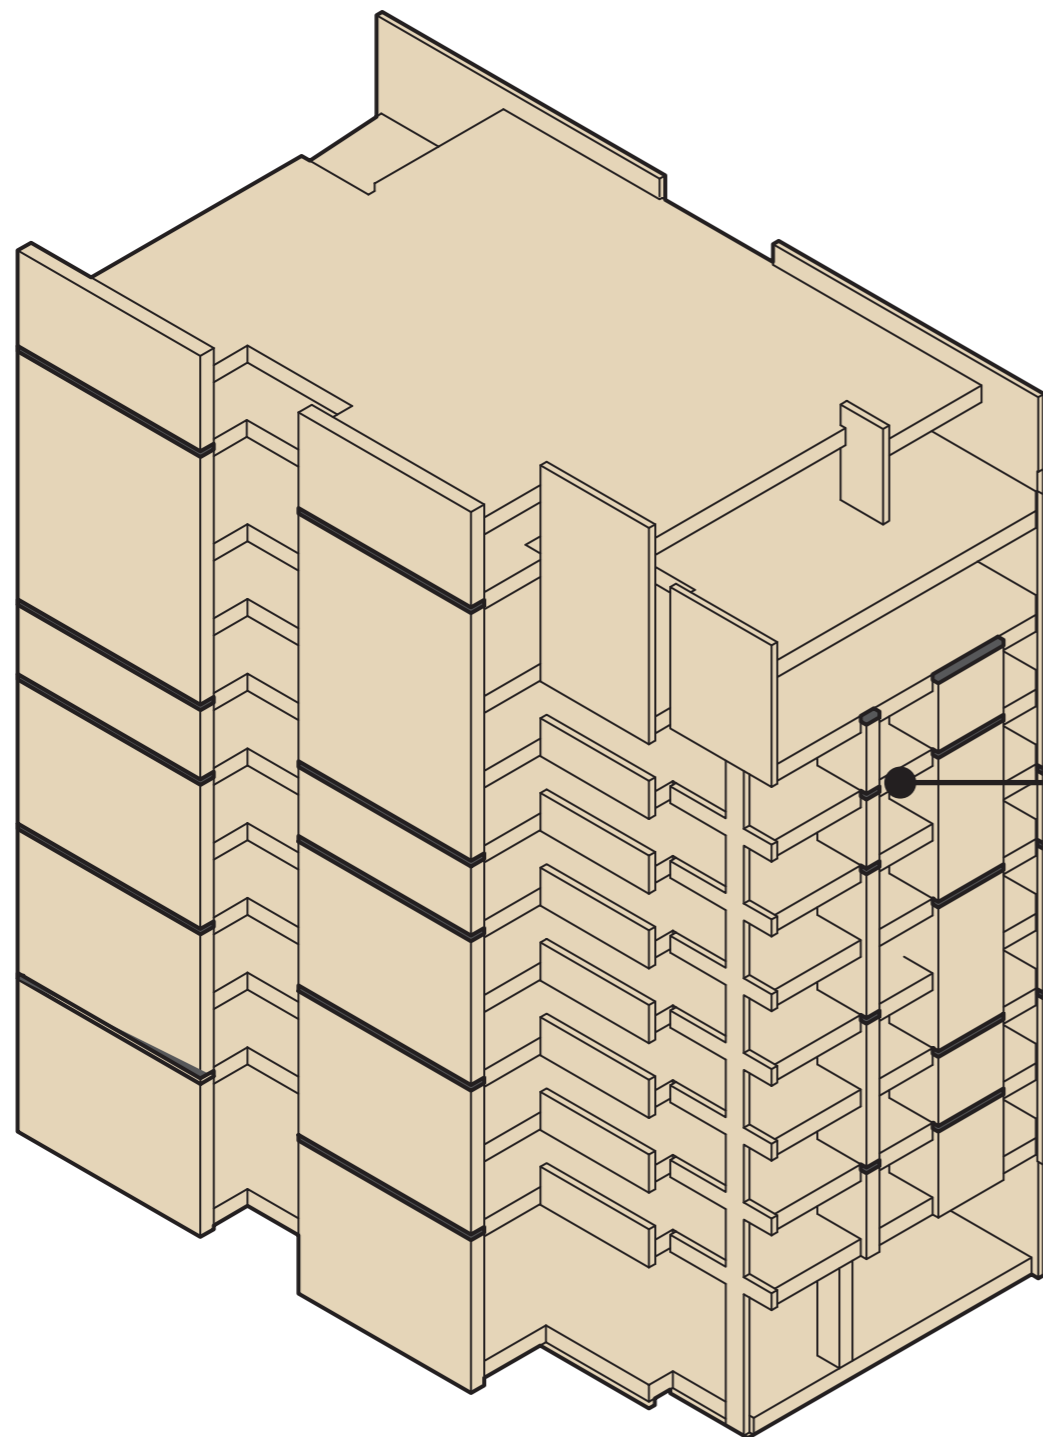

Current structure and slabs.

Vertical solid add walls add-on.

Subtracting solid volumes for functional purposes.

Cutting and subtracting solid volumes randomly to achieve a playful and yet modern formal facade.

Avandad - Silver gray lineal

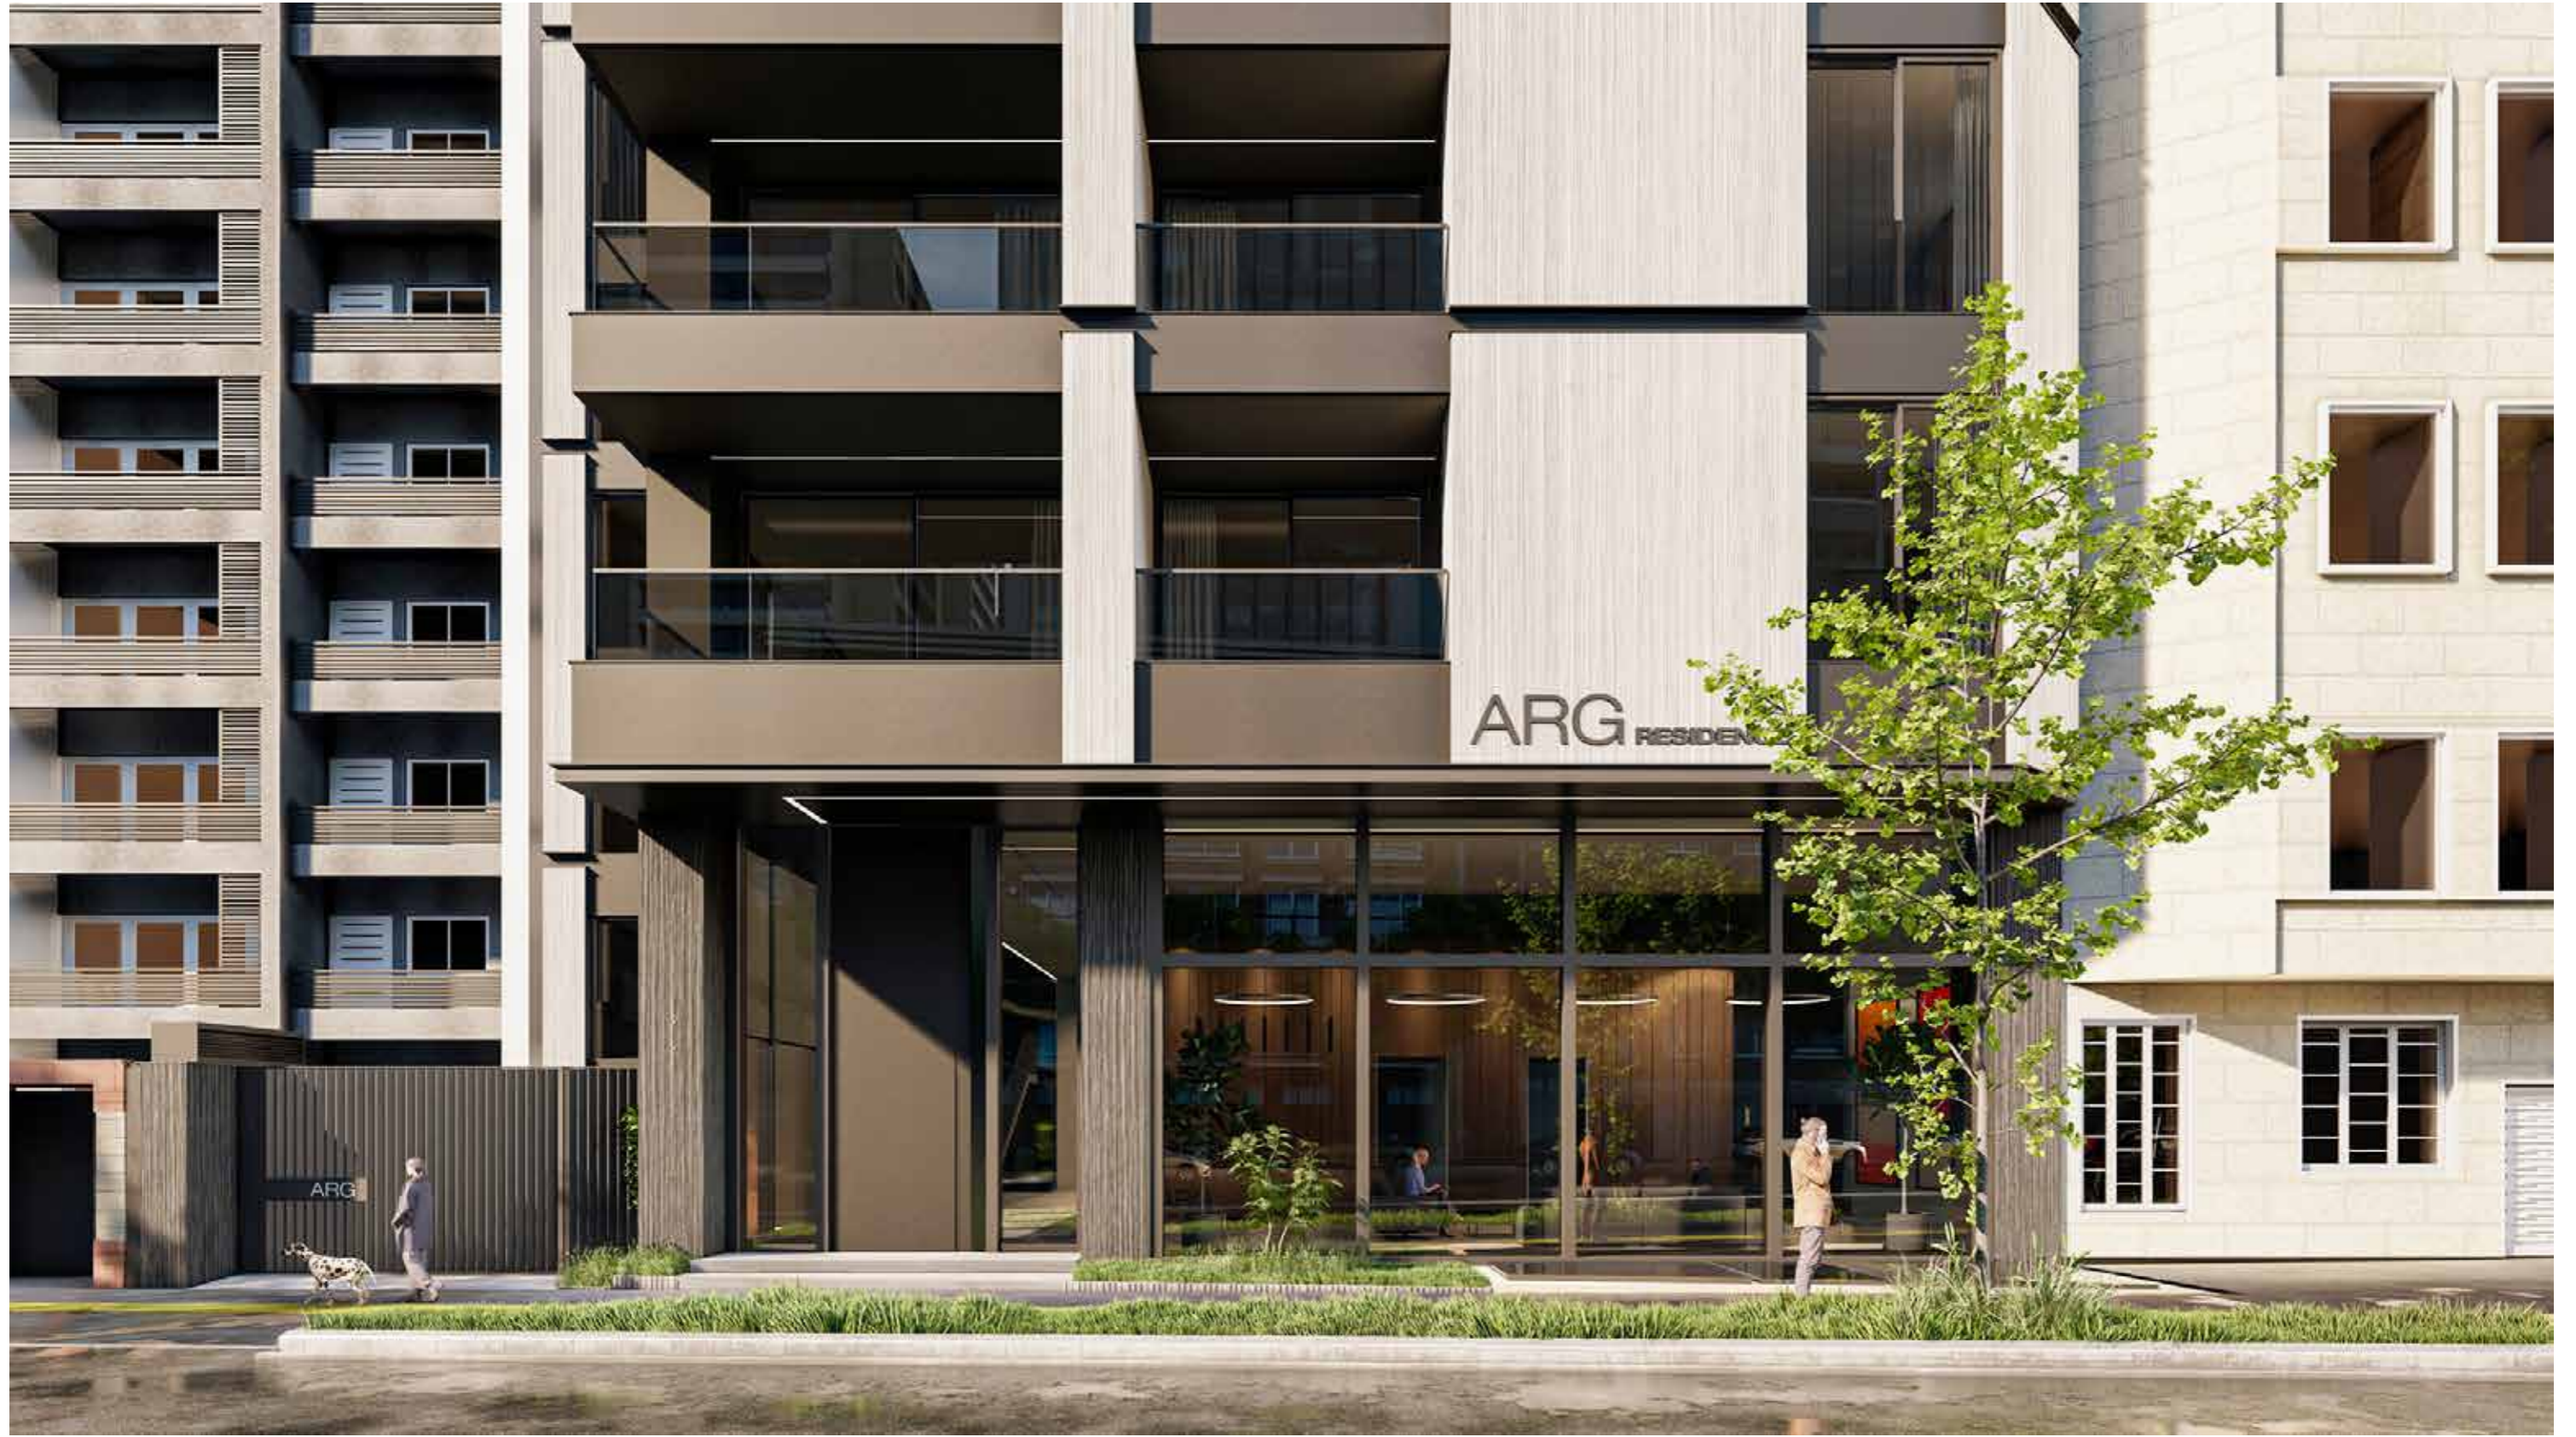

Avandad - Native black lineal plus

ARG RESIDENTIAL

ARG

Penthouse kitchen layout reformed with one functional island, a buffet bar and three full height cabinetry to revive a new experience of a cooking space and help to maintain the idea of having a full-glazed homogeneous facade.

The hot-tub/jacuzzi has been relocated to connect inner and outer spaces cohesively.

The kitchen has been fully reformed to serve the functional and spatial demands of the project. Kitchen now consists of a full height long cabinetry and a massive island plus bar.
