

طراحی ساختمان مسکونی ارکیده

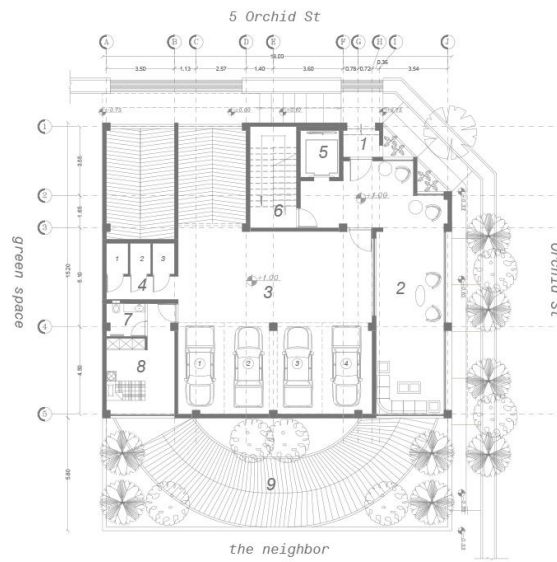

طرح تو طرح

- ایده اولیه جهت طراحی نما برگرفته از ساقه و برگ های گل ارکیده بوده که با استفاده از چینش آجرهای نسوز بر روی این صفحات نمای آجری معماری ایرانی را تداعی کرده و ارتباط بصری مناسبی را با فضای خارج حفظ نماید.
- در طراحی پلان تمامی موارد مربوط به ضوابط شهرداری و آشنشانی رعایت شده و تلاش بر استفاده حداکثری از فضا شده است.
- در چینش سنگ بدنه با استفاده از الگوریتم های ریاضی به کار رفته در نرم افزار راینو و گرس هاپر سعی بر نمایش بی نظمی برگرفته از طبیعت شده است.
- متریکال به کار رفته در نما:

- سنگ مرمریت سفید سوپر پرشین سیلک
- سنگ مرمریت طوسی پرشین سیلک
- آجر نسوز
- فلز
- شیشه
