## MODERN Style

Template color : Modern style steers clear of bright colors in favor of a monochromatic, neutral color palette. Think white, beige, gray, black, and pastel tones.

Template elements : Glass , Leather and fabric upholstery, wood veneers ,

# MODERN Style

# INDUSTRIAL Style

Template color : Gray  
and brown spectrum  
/ Neutral color palette

Template elements :  
Wood and concrete and  
metal

Decoration elements  
: buildings feature  
exposed brick , Edison  
bulbs

Considerations : This  
style is suitable for  
houses with high  
ceilings and wide  
windows.

# INDUSTRIAL Style

## MINIMAL Style

Template color : White  
and nude spectrum /  
*Monochromatic colour  
palette*

Template elements  
: Flat, smooth surfaces  
and clean lines

# MINIMAL Style

# BOHEMIAN Style

Template color : Warm  
and earthy tones

Template elements :  
Wood and plants

Decoration elements  
: Hanging plants , rug  
, Artistic accessories

# BOHEMIAN Style

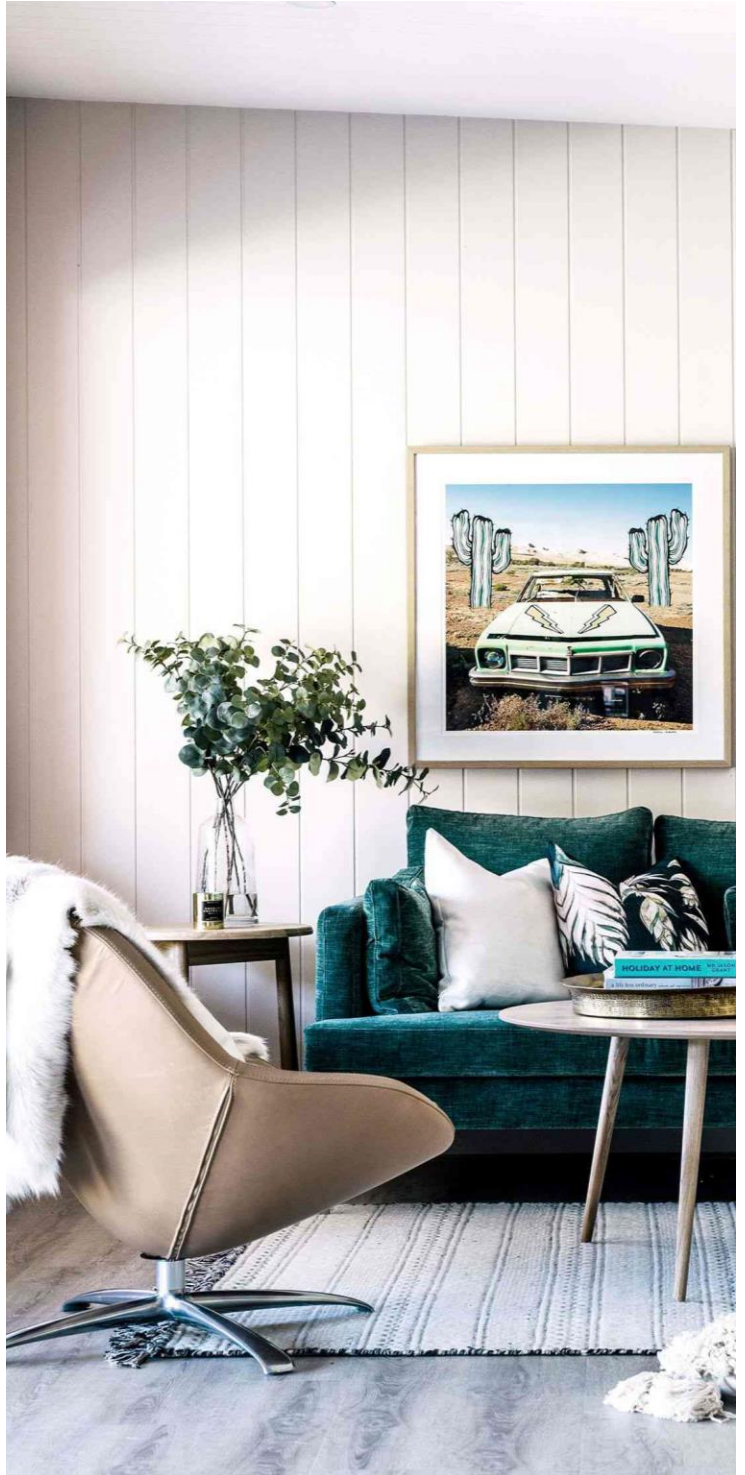

# SCANDINAVIAN Style

Template color : Whites, grays, blacks, and browns , ( Some designers have also introduced other pop colors like dusty pinks and rich sea greens for added accents)

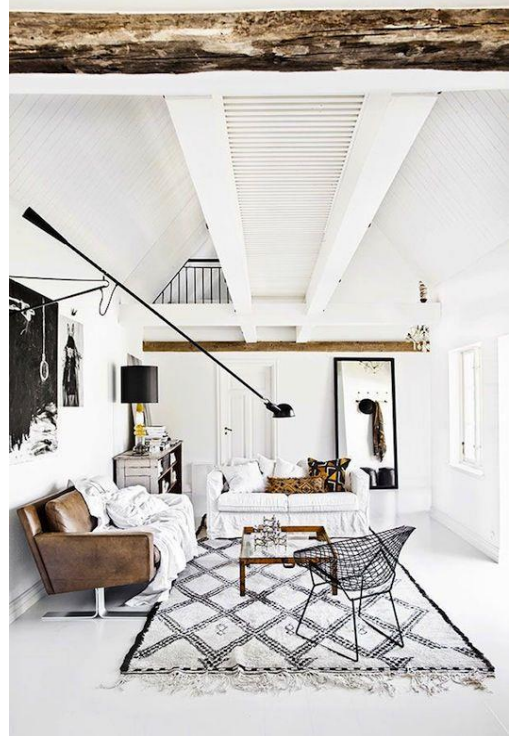

Template elements :  
Bright Light, patterns  
, Fresh Plants

Decoration elements  
: Geometric Furniture  
, wall painting , black and white photographs

# SCANDINAVIAN Style

## RUSTIC Style

Template color : A rustic colour palette incorporates **simple and earthy colours** that often balance white and neutral colours

Template elements : natural materials such as wood , tile and stone

Decoration elements : antique furniture , rug , **brick walls**
